

# Liste der Organisationseinheiten

Diese Liste beinhaltet die für das Institutsreporting relevanten Abteilungen, Institute und Zentren.

| Organisationseinheit DE                                             | Organisational unit EN                                   | Departement |
|---------------------------------------------------------------------|----------------------------------------------------------|-------------|
| Abteilung für Wissenschaftliche Grundlagen (AWG)                    | Department of Foundation Studies in Science (AWG)        | W           |
| Center for Corporate Responsibility (CCR)                           | Center for Corporate Responsibility (CCR)                | W           |
| Centre for Artificial Intelligence (CAI)                            | Centre for Artificial Intelligence (CAI)                 | T           |
| Corporate Communications                                            | Corporate Communications                                 | R           |
| Generalsekretariat                                                  | General Secretary's Office                               | R           |
| Hochschulentwicklung                                                | Higher Education Development                             | R           |
| Institut Bautechnologie und Prozesse (IBP)                          | Institute for Building Technologies and Processes (IBP)  | A           |
| Institut für Angewandte Mathematik und Physik (IAMP)                | Institute of Applied Mathematics and Physics (IAMP)      | T           |
| Institut für Angewandte Medienwissenschaft (IAM)                    | Institute of Applied Media Studies (IAM)                 | L           |
| Institut für Angewandte Psychologie (IAP)                           | Institute of Applied Psychology (IAP)                    | P           |
| Institut für Chemie und Biotechnologie (ICBT)                       | Institute of Chemistry and Biotechnology (ICBT)          | N           |
| Institut für Computational Life Sciences (ICLS)                     | Institute of Computational Life Sciences (ICLS)          | N           |
| Institut für Datenanalyse und Prozessdesign (IDP)                   | Institute of Data Analysis and Process Design (IDP)      | T           |
| Institut für Delinquenz und Kriminalprävention (IDK)                | Institute of Delinquency and Crime Prevention (IDK)      | S           |
| Institut für Energiesysteme und Fluid-Engineering (IEFE)            | Institute of Energy Systems and Fluid Engineering (IEFE) | T           |
| Institut für Ergotherapie (IER)                                     | Institute of Occupational Therapy (IER)                  | G           |
| Institut für Facility Management (IFM)                              | Institute of Facility Management (IFM)                   | N           |
| Institut für Financial Management (IFI)                             | Institute for Financial Management (IFI)                 | W           |
| Institut für Hebammenwissenschaft und reproduktive Gesundheit (IHG) | Institute of Midwifery and Reproductive Health (IHG)     | G           |
| Institut für Informatik (InIT)                                      | Institute of Computer Science (InIT)                     | T           |
| Institut für Innovation und Entrepreneurship (IIE)                  | Institute of Innovation and Entrepreneurship (IIE)       | W           |
| Institut für Kindheit, Jugend und Familie (IKJF)                    | Institute of Childhood, Youth and Family (IKJF)          | S           |
| Institut für Lebensmittel- und Getränkeinnovation (ILGI)            | Institute of Food and Beverage Innovation (ILGI)         | N           |
| Institut für Marketing Management (IMM)                             | Institute of Marketing Management (IMM)                  | W           |
| Institut für Mechanische Systeme (IMES)                             | Institute of Mechanical Systems (IMES)                   | T           |
| Institut für Mechatronische Systeme (IMS)                           | Institute of Mechatronic Systems (IMS)                   | T           |
| Institut für Nachhaltige Entwicklung (INE)                          | Institute of Sustainable Development (INE)               | T           |
| Institut für Pflege (IPF)                                           | Institute of Nursing (IPF)                               | G           |
| Institut für Physiotherapie (IPT)                                   | Institute of Physiotherapy (IPT)                         | G           |
| Institut für Public Health (IPH)                                    | Institute of Public Health (IPH)                         | G           |
| Institut für Risk & Insurance (IRI)                                 | Institute for Risk & Insurance (IRI)                     | W           |
| Institut für Sozialmanagement (ISM)                                 | Institute of Management and Social Policy (ISM)          | S           |
| Institut für Übersetzen und Dolmetschen (IUED)                      | Institute of Translation and Interpreting (IUED)         | L           |
| Institut für Umwelt und Natürliche Ressourcen (IUNR)                | Institute of Natural Resource Sciences (IUNR)            | N           |
| Institut für Verwaltungs-Management (IVM)                           | Institute of Public Management (IVM)                     | W           |
| Institut für Vielfalt und gesellschaftliche Teilhabe (IVGT)         | Institute of Diversity and Social Integration (IVGT)     | S           |

|                                                                        |                                                                    |   |
|------------------------------------------------------------------------|--------------------------------------------------------------------|---|
| Institut für Wealth and Asset Management (IWA)                         | Institute of Wealth and Asset Management (IWA)                     | W |
| Institut für Wirtschaftsinformatik (IWI)                               | Institute of Business Information Technology (IWI)                 | W |
| Institut Konstruktives Entwerfen (IKE)                                 | Institute for Constructive Design (IKE)                            | A |
| Institut Urban Landscape (IUL)                                         | Institute for Urban Landscape (IUL)                                | A |
| Institute for Organizational Viability (IOV)                           | Institute for Organizational Viability (IOV)                       | W |
| Institute of Computational Physics (ICP)                               | Institute of Computational Physics (ICP)                           | T |
| Institute of Embedded Systems (InES)                                   | Institute of Embedded Systems (InES)                               | T |
| Institute of Language Competence (ILC)                                 | Institute of Language Competence (ILC)                             | L |
| Institute of Materials and Process Engineering (IMPE)                  | Institute of Materials and Process Engineering (IMPE)              | T |
| Institute of Product Development and Production Technologies (IPP)     | Institute of Product Development and Production Technologies (IPP) | T |
| Institute for Signal Processing and Wireless Communications (ISC)      | Institute for Signal Processing and Wireless Communications (ISC)  | T |
| International Management Institute (IMI)                               | International Management Institute (IMI)                           | W |
| Psychologisches Institut (PI)                                          | Psychological Institute (PI)                                       | P |
| Rechtsdienst                                                           | Legal Services                                                     | R |
| Ressort Bildung                                                        | Academic Affairs                                                   | R |
| Ressort Forschung und Entwicklung                                      | Research and Development Unit                                      | R |
| Ressort Internationales                                                | International Affairs Unit                                         | R |
| Winterthurer Institut für Gesundheitsökonomie (WIG)                    | Winterthur Institute of Health Economics (WIG)                     | W |
| Zentrum für Arbeitsmärkte, Digitalisierung und Regionalökonomie (CLDR) | Center for Labor, Digital and Regional Economics (CLDR)            | W |
| Zentrum für Aviatik (ZAV)                                              | Centre for Aviation (ZAV)                                          | T |
| Zentrum für Bildung, Entwicklung und Services (ZBES)                   | Centre for Education, Development and Services (ZBES)              | S |
| Zentrum für Energie und Umwelt (CEE)                                   | Center for Energy and Environment (CEE)                            | W |
| Zentrum für Innovative Didaktik (ZID)                                  | Center for Innovative Teaching and Learning (ZID)                  | W |
| Zentrum für Kulturmanagement (ZKM)                                     | Center for Arts Management (ZKM)                                   | W |
